

Appendix 1

CV SCORING TABLE

I – Scientific production (up to 6.0 points)

Type of production	Points	Maximum
Full article published or in press in a scientific journal classified in strata A1, A2, A3, A4 ¹	1.0 per article	6.0
Full article published or in press in a scientific journal classified in strata B1, B2 ¹	0.5 per article	3.0
Full article published or in press in a scientific journal classified in strata B3, B4 ¹	0.1 per article	1.0
Full paper published in proceedings of scientific conferences classified in strata A1, A2 ¹	1.0 per paper	6.0
Full paper published in proceedings of scientific conferences classified in strata A3, A4 ¹	0.5 per paper	3.0
Full paper published in proceedings of scientific conferences classified in strata B1, B2, B3, B4 ¹	0.1 per paper	1.0

II – Teaching experience (up to 3.0 points)

Type of production	Points	Maximum
Graduate teaching	0.25 per year	2.0
Supervision of Doctoral degree	1.0 per completed supervision	3.0
Supervision of Master's degree	0.5 per completed supervision	3.0
Supervision of undergraduate final project	0.1 per completed supervision	1.0
Supervision of undergraduate scientific initiation	0.1 per completed supervision	0.5
Co-supervision of Doctoral degree	0.5 per completed supervision	1.5
Co-supervision of Master's degree	0.2 per completed supervision	1.0

III – Non-teaching professional experience (up to 1.0 points)

Type of production	Points	Maximum
Post-doc or research experience in Technological and Scientific development	0.25 per year	1.0
Principal Investigator of funded projects	0.5 per project	1.0
